ADMIT STRIKE IN NEW YORK IS A FAILURE

[Republican A. P. Leased Wire]

NEW YORK, Oct. 2.—Tactful admission of the failure of the general sympathetic strike in New York in behalf of the striking street car men was made in a report late today to a conference of labor leaders. The leaders discussed the general situation. The leaders recommended that every union member in the city be assessed one dollar for the benefit of the subway, elevated and surface car employees who are on strike in Manhattan, The Bronx and parts of Westchester county.

No decision as to further efforts to call out all unionists in sympathy with the strikers was taken and there was no formal admission that the strike plan had collapsed.

In its report to the meeting the general strike committee said:

"The committee still believes in the sincerity of the assurance given by representatives of important unions. It is said that the rank and file of labor is in full sympathy with the strikers. Police headquarters announced that a canvass made by policemen showed that only 408 men had responded to the call for a general strike.

More than 100,000 members of the United Hebrew Trades returned to work after their three day holiday as did 2,000 brewery workers.

Strike in Albany

ALBANY, N. Y., Oct. 2.—Settlement of the strike of the employees of the United Traction company in Albany appeared no nearer tonight than when the men completely tied up street railway traffic this morning through their refusal to work. The strikers and the company each refused to recede from their positions and representatives of each side declared that it would be a fight to a finish.

Vote to Strike

TROY, N. Y., Oct. 2.—Employees of the United Traction company in Troy, Cohoes, Green Island, Waterford and Lansingburgh voted almost unanimously late tonight to strike in sympathy with the Albany men. The strike is called for five o'clock tomorrow.

FOUR STATES FOR WILSON

[Republican A. P. Leased Wire]

CHICAGO, Oct. 2.—Dudley Field Malone, collector of the port of New York, who visited western democratic national headquarters today, declared that at least four western states will be carried by President Wilson. "The message I am taking east is that California, Utah, Wyoming and Nevada will give their electoral votes to President Wilson," said Malone.

CAMPBELL WAKES HIT AT NOGALES WITH BIG CROWD

[Republican A. P. Leased Wire]

NOGALES, Oct. 2.—Before the largest and most enthusiastic audience ever assembled in Nogales, Tom Campbell tonight delivered a strong virile appeal to the people of Santa Cruz county to bring back to the state the heart, soul and confidence which it has lost.

He made a deep impression, convincing all of his genuine sincerity. Like all of the speeches of Mr. Campbell, there came from the attentive crowd, frequent outbursts of spontaneous approval and it was apparent when he finished that he had won a lasting place in regard to the esteem of the people of Nogales. Mr. Campbell spoke of his program for building up the state and placing it in the front rank of states where investment is secure and the people of all classes at peace and happy.

He arraigned the present governor for yielding absolutely to a class and reiterated his place to be fair with both labor and capital and firm with both. The rally was held in the public plaza and street fronting the plaza was packed with automobiles crowded with eager listeners. The audience filled rows of seats for the full distance of the park and men and women thronged both sides and the rear of the entire block surrounding the park was taxed for all who crowded the available space within hearing.

George H. Smalley, candidate for state tax commissioner, was the first speaker. He told of the inefficiency he had found during his investigations of state and county affairs while employed by the associations of tax payers and commended the budget statute as a remedy for excessive cost of state and local government. Doane Merrill told of the fight in the legislature of which he was a member to create the county of Santa Cruz and the assistance he rendered. He also spoke of the duties of state auditor.

Mr. Merrill eloquently portrayed the qualities of state candidates traveling with Governor Kibbey. Prof. H. E. Matthews was in his usual fine voice and spirits and his platform for the advancement of the schools met with hearty response he was given an ovation at the close of his speech. J. Harry Cloonan spoke of his long experience in work fitting him to serve the state as corporation commissioner and made an excellent impression.

Baughn at Williams

WILLIAMS, Oct. 2.—Judge Otis J. Baughn, republican candidate for justice of the supreme court, was the headliner of tonight's bill at the Williams opera house, where the big republican rally was held. Despite the rainy weather, a good sized crowd was in attendance to hear the issues both state and national discussed. After making a strong plea in his own behalf for a strictly non-partisan supreme court, Judge Baughn presented a half-hour argument advocating the election of Hon. J. J. Kibbey to the senate of the United States.

"Governor Kibbey is a man of action not of words," declared Judge Baughn, "he will be a credit to the state and will succeed in securing measures of benefit and needed appropriations for our people, he will not arise and talk to empty seats that he may secure campaign literature for his dear constituents, but will conscientiously put forth every effort in the committee rooms where the real work is to be done. J. H. Kibbey is the man who is needed to aid a constructive republican government in the senate." He continued: "He is the man who will work on the interest of American industries that they will have beneficial legislation with which to meet the conditions confronting the nation at the close of the European war. In fact he is the one man who is eminently qualified to render Arizona the utmost benefit."

Joe V. Prochaska, Gila county's candidate for secretary of state, reviewed his 16 years of public usefulness in Arizona and pleaded himself to give the state a business administration in this office. He also spoke in behalf of Norman J. McKenzie, candidate for mine inspector and J. Harry Cloonan, candidate for corporation commissioner.

E. E. Anderson, state organizer for the National Hughes Alliance, made a strong plea in behalf of the national ticket in a well delivered address and succeeded in securing practically every one present as a member of the Hughes Alliance.
